Governor Tom Wolf  
Office of the Governor  
508 Main Capitol Building  
Harrisburg, PA 17120

Dear Governor Wolf,

Yesterday, Lower Bucks County was devastated by a historic storm dumping 8-10 inches of rain during a 3-hour span into the communities of Bensalem Township, Bristol Township and Bristol Borough. This massive storm completely overwhelmed our communities. The constant downpour resulted in the flooding of our neighborhoods, touching not only our roads and businesses, but also destroying the homes, cars, and property of our constituents. Minutes of rain have resulted in millions of dollars of property damage and devastating losses from this storm.

We respectfully ask that you allow all State resources, including declaring an emergency disaster, be made available to Bucks County to help our constituents deal with the aftermath of this storm. Declaring an emergency disaster would expand and accelerate the response process for not just our constituents, but our municipalities as they move forward.

If you wish to discuss this issue further, please do not hesitate to contact us.

Sincerely,
